

# Community Engagement

This page provides an overview of the opportunities to engage with the NRO NC regarding the process to review and update ICP-2. We invite you to follow and contribute to the discussions in your region.

## Community Engagement

Each RIR will host a community consultation consisting of online or in-person sessions (listed below) as well as invite input via mailing lists. You can follow the discussions in each RIR via the following lists.

| RIR                                                                                   | Mailing List                                                                                                                                                                    | Archives                                                                                                                                                  |
