# ARIN Operations Update

Richard Jimmerson

# Organization Highlights (Staff)

- Approximately 90 staff
- 2022 work plan fully engaged; we continue to operate in the pandemic work environment with several staff choosing to work in the office
- Advanced planning stages for a distributed workforce model at ARIN based on our learnings from the virtual work environment during the pandemic

# Organization Highlights (Services)

- Outreach and meeting participation shifting back toward in-person
- Continued enhancements to ARIN Online and internal tools to facilitate customer service
- Demand for registry services continues to grow
- Upcoming membership survey to learn your preferences about development priorities for ARIN services

# ARIN 50 (October 2022)

- Planning for in-person participation (Hollywood, CA)
- ARIN's 50th meeting and 25th Anniversary
- Continue to provide enhanced remote participation facilities
- Plans are subject to change depending on pandemic status

# Thank You to Cathy Clements

- Day 1 employee of ARIN (December 1997)
- Part of the team that transitioned from Network Solutions to ARIN
- Retired in April of 2022 - ARIN plans to keep Cathy engaged through a limited consulting engagement

Thank You!
