2016 Policy Work

Takeaways from the Policy Experience Report

- NRPM Section 5: AS Number Policy
  - 30 day interpretation of "immediate" is too constrictive
  - Do we want to clarify "immediate" as something different from the current 30 day interpretation?

- NRPM 4.2.3.6: Reassignments to multihomed downstream customers
  - Organizations cannot qualify for a /24 and cannot get one from upstream provider
  - Please let the AC know if you are experiencing this issue, and whether 2016-4 would address your concerns
