

## **ARIN on the Road**

*Susan Hamlin*

*Director of Communications and Member Services*

# PROGRAM OBJECTIVES

- Started in 2010
- Educational outreach to areas where we don't take a Public Policy and Members Meeting
- Puts ARIN staff and elected representatives faces out in the community
- High-level introduction to ARIN operations and services
- Current topics of interest
- Introduction to the Policy Development Process
- Seeking community feedback
- Foster greater community engagement with ARIN

# WHERE WE'VE BEEN

YEAR	CANADA	CARIBBEAN	UNITED STATES	# of ATTENDEES/YR
2017	1	2	5	200* - 1 to go
2016	2		6	184
2015	2	1	5	190
2014	1		7	415
2013	2		4	259
2012			4	104
2011	1		2	67
2010			2	Data incomplete
	9	3	35	@1425

# TYPICAL AGENDA

**Time: 9:30 AM – 4:00 PM**

- ARIN: Our Mission, Role and Services
- ARIN Services & Tools
- Internet Number Resource Policy Development
- Security Overlays on Core Internet Protocols – DNSSEC
- Whois Accuracy
- Life After IPv4
- Security Overlays on Core Internet Protocols - Resource Certification (RPKI)
- Everything You Need to Know About IPv6
- Q&A / Open Mic Session
- Ask ARIN - Optional opportunity for a one-on-one conversation with ARIN staff

# PROGRAM RESULTS

- Attendees apply for ARIN Fellowships
- Attendees subscribe to some of the ARIN mailing lists
- Attendees become new participants and remote participants at Public Policy and Members Meetings
- Attendees resolve outstanding issues with our Registration Services Department, both onsite and email follow-up
- Staff and elected representatives hear first-hand feedback about ARIN services, bring back for internal discussion

# TAKEAWAYS

- It's a free one-day program, lunch included
- Agenda can be customized to fit local needs (local IXP presentation, local IPv6 deployment experience)
- Program can be shrunk to co-join with a local event
- Working on schedule for 2018 now!
- Contact [meetings@arin.net](mailto:meetings@arin.net) if you are in a location that would benefit from an ARIN On the Road
