 - 25 July 2019

Staff and Legal Review

Summary (Staff Understanding)

- Draft Policy 2019-1: Clarify Section 4 IPv4 Request Requirements It is staff understanding that this policy changes section 4.1.8 and effectively outlines a clear intent that an organization may only apply for IPv4 addresses if they have not received IPv4 addresses within three months prior to submitting an application.
- The new text also introduces a clear statement to staff that any organization applying for IPv4 addresses cannot have transferred IPv4 addresses to another party under Section 8 within 36-months prior to the application.

Staff and Legal Review continued
