

ARINI
12-14 APRIL 2021

Government Affairs Department Update

Anne-Rachel Inné, Senior Vice President, Government Affairs

International Internet Public Policy

Governments, Law Enforcement & Public Safety

Caribbean Affairs

The GAD Mandate

Awareness-raising, capacity-building, and outreach to public sector officials, LEA, etc.

OUTREACH

Improve working relationships in ARIN region & globally with Governments, their affiliates, and strategic partners

Keep Internet identifiers policy work in regional community hands

ENGAGEMENT

Participate in and monitor global & regional organizations and intergovernmental discussions that can impact ARIN's work

Analyzing global policy developments and trends

INSIGHTS

Keep ARIN executive team and community informed on international and regional trends and implications of resolutions & regulations on our work

How GAD Helps Strengthen the ARIN Community

- **Fostering** inter-regional collaboration on Internet governance matters
- **Increasing Caribbean contribution** in ARIN Policy Development
- **Supporting/informing** the International Internet Public Policy (IIPP) development process
- **Sharing** ARIN Community positions at international fora

GAD – Tracking International Trends

GAD closely tracks international trends that can potentially impact ARIN, its community, and the global Internet

GAD – Insights Into Global Developments

Discover

Monitor nationalization/jurisdiction/security talks that could lead to fragmentation of the Internet

Interpret

Work closely with Governments in our region to help at international level on foreseen issues from plethora of regulations

Know

Keep ARIN and its community apprised of IIPP discussions and keep the Internet technical community outside of detrimental regulations as appropriate

FOSTERING COLLABORATIVE RELATIONSHIPS

Greater Participation in
Relevant Activities

Stronger Collaboration with
targeted stakeholder
communities
