65 participants over 3 live sessions

2021 Strategy

Code word - **VALUE**

Building on successes of 2020

Changing tools to provide a better experience

Using your feedback to define our priorities

Striving to provide you the information you need to succeed

Be on the lookout for...

- Launched in 2020
- Invitation-only quarterly **welcome and onboarding** for new customers
- Covers how to **get involved** and take **full advantage** of the services ARIN offers
- Four completed so far with positive feedback

Strategic Partnerships Program

- Launched in 2020
- Virtual solution to **maintain relationships** with industry communities like WISPs, research and education institutions, independent telecommunications providers, etc.
- **Co-hosted** six informational webinars to date

Strategic Partnerships Program

ARIN
American Registry for Internet Numbers

ARIN | Leadership Development

- Launched in 2019 and held annually
- **Educate potential candidates** about the roles and responsibilities of the Board of Trustees, Advisory Council, and NRO Number Council
- Registration opening soon for the **2021 session** on 20 May
- Available **on-demand** for those who can't attend

Virtual Fellowship Program

- After being on hold for 2020, program goes **virtual in 2021**
- Designed to broaden **inclusion, diversity, engagement**, and to bring new voices & ideas into public policy discussions
- Paired with a mentor from the ARIN community
- **Congratulations** to our eight ARIN 47 Fellows!
- Watch for the ARIN 48 call for applications this summer

FELLOWSHIP PROGRAM
American Registry for Internet Numbers

Technical Focus
