2003 Advisory Council Candidate Biographies

Advisory Council Candidates

* Paul Andersen

* Leo Bicknell

* Dave Diller

* Andrew Dul

* Dale Finkelson

* Mark Kosters

* Chris Liljenstolpe

* Kevin Martin

* Cleveland Mickles

* Lea Roberts

* Steve Rubin

* Rob Seastrom

* Stacy Taylor

Paul Andersen

<http://www.arin.net/elections/ac/pandersen.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I believe the ARIN Advisory Council would benefit from a broader geographical representation along with those representing smaller organizations which make up a significant portion of the Internet community.

* Biography:

- ▶ B. A. Sc. Computer Engineering, University of Toronto
- ▶ Operations Director, egateNETWORKS Inc
- ▶ Board of Directors, Canadian Internet Registration Authority
- ▶ Secretary of Corporation, Canadian Internet Registration Authority
- ▶ Vice-Chair of the Board, Canadian Internet Registration Authority
- ▶ Member, Toronto Internet Exchange (TorIX)

Leo Bicknell

<http://www.arin.net/elections/ac/lbicknell.html>

* **Statement of Motivation to Serve on Advisory Council:**

- ▶ To ensure the needs of smaller entities make it to the floor, to ensure that all users of ARIN's services have a chance to make their needs and desires known, even if they are unable to do it in person.

* **Biography:**

- ▶ B.S. in Computer Science, Virginia Tech
- ▶ '93-'96 - System Administrator, Virginia Tech.
- ▶ '95-'96 - Telecommunications Engineer, Virginia Tech.
- ▶ '96-'98 - Network Engineer for Dimension Enterprises.
- ▶ '98 AboveNet (a.k.a. Metromedia Fiber Network).
- ▶ '98 Cisco Certified Internetworking Engineer (CCIE) #3440
- ▶ Member of the Association for Computing Machinery since 1994.

Dave Diller

<http://www.arin.net/elections/ac/ddiller.html>

*Statement of Motivation to Serve on AC:

- ▶ By helping to evolve policy, I hope to return some of the guidance that I have received over the last few years from the members of this community.

*Biography:

- ▶ Directs Cogents' IP resources
- ▶ Member, IP engineering team
- ▶ Final escalation path for customer, backbone, peering, DNS, and BGP issues from Operations
- ▶ Four years working at a webhosting shop, a national ISP, and a telecommunications company before joining Cogent in early 2000

Andrew Dul

<http://www.arin.net/elections/ac/adul.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I believe strongly in the stable and continued growth of the Internet including providing numbering resources to all entities that have real addressing needs. I can combine the needs of the community and my operational expertise to foster continued cooperation throughout the region.

* Biography:

- ▶ Network Testing Engineer, Connexion by Boeing
- ▶ Network Engineer, Internap Network Operations Center
- ▶ Educational outreach, Sacramento County Office of Education and Outreach & Technical Assistance Network

Dale Finkelson

<http://www.arin.net/elections/ac/dfinkelson.html>

* Statement of Goals:

- ▶ I have had considerable experience with IPv6 policy. I am active in several IPv6 policy groups. I have considerable interest in promoting ARIN activities in the University Research community.

* Biography:

- ▶ Network architect and engineer for the University of Nebraska
- ▶ Co-chair of the Internet 2 IPv6 working group
- ▶ Involved in obtaining and allocating both 6bone and sub-TLA address space
- ▶ Designed and taught a series of IPv6 workshops
- ▶ Involved in building IP networks since the inception of the NSFnet
- ▶ Involved in creating and running MIDnet, one of the first regional networks.

Mark Kusters

<http://www.arin.net/elections/ac/mkusters.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I like to help guide ARIN into creating and maintaining relevant IP address allocation services for the good of the Internet.

* Biography:

- ▶ Senior engineer, Data Defense Network (DDN) NIC
- ▶ Chief engineer and Principal Investigator, Internet NIC (InterNIC)
- ▶ Vice President of Research, VeriSign
- ▶ Involved in application design and implementation of client/server tools, router administration, UNIX system administration, database administration, and network security.
- ▶ Co-authored RFCs on RWhois, Internet Registry IP Allocation Guidelines, and Root Name Server Operational Requirements

Chris Liljenstolpe

<http://www.arin.net/elections/ac/cliljenstolpe.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I believe that my professional experience would be valuable to ARIN and the Advisory Council. I also would like to become more active in this area of the net's functioning and operation.

* Qualifications:

- ▶ Distinguished engineer, Alcatel
- ▶ Consulting engineer, two network consulting firms
- ▶ Network engineer, US Antarctic Research Program
- ▶ Network architect, Cable & Wireless
- ▶ Involved with the Interop meetings as a show network team member
- ▶ Active in IETF working groups and BOFs
- ▶ Active in ISOCOR, NRIC, ITU-T and other standards/ advisory bodies

Kevin Martin

<http://www.arin.net/elections/ac/kmartin.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I am interested in the fair and orderly development of IP allocation procedures. As a founder and network architect for pair Networks, Inc, I am interested in a reliable and diverse Internet which allows all providers to operate smoothly and equitably.

* Biography:

- ▶ Chief executive officer, network administrator, technology planner, pair Networks
- ▶ Member of Pittsburgh Technology Council, ISP/C, Nominet, ICANN
- ▶ Founder and operator of Pittsburgh Internet Exchange
- ▶ ARIN Advisory Council member

Cleveland Mickles

<http://www.arin.net/elections/ac/cmickles.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I'd like to shape future policy on the requirements for address allocations and make sure those decisions reflect the interests of the Internet community in a way which fosters the continued growth of the Internet.

* Biography:

- ▶ Senior staff member, Network Architecture team, America Online
- ▶ InternetMCI team, built the MCI BIPP DS-3 based network
- ▶ Internet community (IETF, NANOG, IPv6 forums) Participant
- ▶ Ran MCI Internet Routing Registry
- ▶ Senior Manager of IP Integration Test Lab, Internal Computing and IP Network Support organizations, Cable & Wireless
- ▶ Bachelor of Electrical Engineering degree, Georgia TECH
- ▶ Master of Electrical Engineering, Howard University

Lea Roberts

<http://www.arin.net/elections/ac/lroberts.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ Many interesting challenges lie ahead, with the evolving political structure among the RIRs as well as the beginning of IPv6 address assignment being the most visible. I hope I can continue to provide a voice for moderation, compromise and co-operation among all the members of ARIN.

* Biography:

- ▶ Stanford University
- ▶ 1967-1970, TV studio and computer technician, programmer trainee
- ▶ 1970-1987, System Programmer
- ▶ 1983-present, Networking Systems, Engineering and Backbone Operations
- ▶ 1987-1994, Operations support for BARRNet northern California NSFNET regional network
- ▶ 1995-1997 Consultant to BBN and then GTE Internetworking ISP
- ▶ 1998-present, Technical Advisory Council for CENIC

Steve Rubin

<http://www.arin.net/elections/ac/srubin.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ ... I wish to actively solicit feedback from the operational community, and use the information gathered to draft and adopt policy with my constituency's best interests in mind.

* Biography:

- ▶ <http://www.tch.org/~ser/resume.html>
- ▶ Founder, President, and chief network architect of Layer42
- ▶ Senior-level engineering positions at AboveNet Communications, Internex (presently XO Communications), GlobalCenter, Exodus, and Netcom (presently ICG)
- ▶ Member and contributor in North American Network Operators' Group (NANOG), Internet Engineering Task Force (IETF), and the Bay Area Wireless Users group (BAWUG)

Rob Seastrom

<http://www.arin.net/elections/ac/rseastrom.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ My professional perspective gained over more than a dozen years in the industry could be valuable to ARIN, and I would like to contribute to ARIN's efforts to promulgate fair and responsible resource stewardship policies.

* Biography:

- ▶ Co-founder, Digital Express Group, Inc. (DIGEX)
- ▶ Network Architect, InterCon International KK
- ▶ Interop Shownet Team
- ▶ Consultant to GeoNet Communications, 1996 Fall Comdex Las Vegas
- ▶ Engineering Manager, AboveNet Communications
- ▶ Network Pathologist, Akamai Technologies
- ▶ Director of Network Architecture, Inter.Net Global Ltd
- ▶ President and Co-Founder, Cambridge Bandwidth Consortium

Stacy Taylor

<http://www.arin.net/elections/ac/staylor.html>

* Statement of Motivation to Serve on Advisory Council:

- ▶ I am currently serving on the AC and have several policies I am working on with other AC members. I welcome the opportunity to continue the work we are doing.

* Biography:

- ▶ IP Goddess and DNSzilla, ICG Communications, Inc.
- ▶ Senior Technical Writer for OSS Development, and later Engineering, ICG
- ▶ Chief Copy Editor and Proofreader, Archer Books and Cadmus Editions publishing houses
- ▶ B.A. in Spanish Literature with a minor in Latin American Political Systems, Lehigh University

2003 Board of Trustees Candidates

Board of Trustees Candidates

- * **Scott Bradner**
- * **John Curran**
- * **David Kelly**
- * **Paul Vixie**

Scott Bradner

<http://www.arin.net/elections/bot/sbradner.html>
