

Cataloging ARIN Policies

Overview

- * **Background**
- * **Project Scope**
- * **Challenges**
- * **Review Timeline**

Background

★ Existing Policy Documentation

- ▶ Located on various ARIN web pages
- ▶ Newer policies identified using unique numbers
- ▶ Older policies not numbered
- ▶ Some duplication
- ▶ Some difficulty distinguishing between policy and guidelines

★ Needs

- ▶ Easy Method of Reference
- ▶ Clearer documentation

Project Scope

Replace ARIN policy web pages
with a single document that has
numbered sections and paragraphs

Draft Policy Document

Challenges

- ★ Unintended changes to policy
- ★ Community mapping of existing documentation set to new document
- ★ Others

Document Review Timeline

May 2004

ARIN staff submits completed draft and accompanying mapping materials to ARIN AC for initial review

Document Review Timeline June - July 2004

Draft policy document inserted into
Internet Resource Policy Evaluation
Process for review

Publish web page dedicated to this
documentation project

Document Review Timeline July - October 2004

Community discussion on PPML

Discussion at ARIN XIV

Document Review Timeline November - December 2004

Acceptance and ratification of new
document through the use of the Internet
Resource Policy Evaluation Process

THANK YOU
