

Deprecation of ip6.int

Ginny Listman
Director of Engineering
ARIN

ip6.int History

- ★ ip6.int established for inverse name resolution for IPv6
- ★ RFC3152 – August 2001
 - ▶ DNS name mapping under ip6.arpa
 - ▶ Phase out ip6.int
- ★ RFC4159 – August 2005
 - ▶ Maintenance of ip6.int no longer required
 - ▶ RIRs adopt schedule for cessation of ip6.int

Game Plan

-
- Feb 2006 Coordinated announcement through NRO
 - Mar 2006 ARIN announcement via ARIN mailing lists
 - Apr 2006 ARIN announcement to IPv6 POCs
 - May 2006 Notify zone administrator
 - Jun 2006 Remove all delegations and discontinue registration of new name servers

Thank You
