

Introduction to the ARIN Policy Development Process

PDP Versions

- **Current version is the 4th**
 - **The first one - April 2001**
 - Two revisions
 - **Major overhaul - January 2009**

The current PDP

- **Goal is clear, technically sound and useful policy**
- **Empowers the AC as a development body, balanced by expanded petitions**
- **Requires staff and legal assessments and freezes text prior to Public Policy Meetings**

Total Draft Policies

- **Active – 5**
- **Adopted – 49**
- **Abandoned – 43**
- **Awaiting final Board review – 1**

Petitions

- **Petition to bring proposal to list and meeting**

Two of these

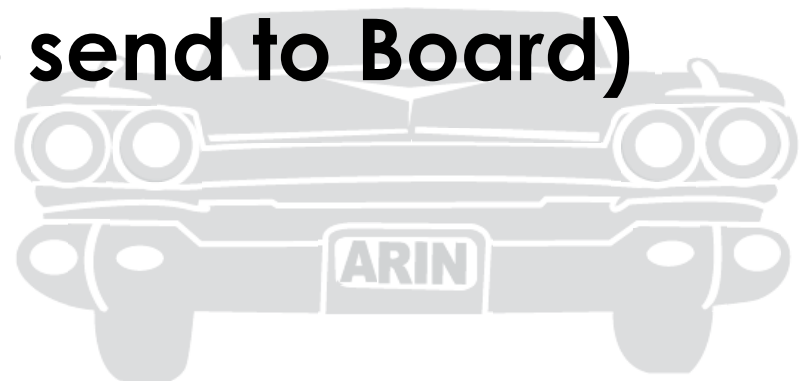

One successful*

One unsuccessful

- **Last call petition (to send to Board)**

Once – unsuccessful

*Ultimately abandoned

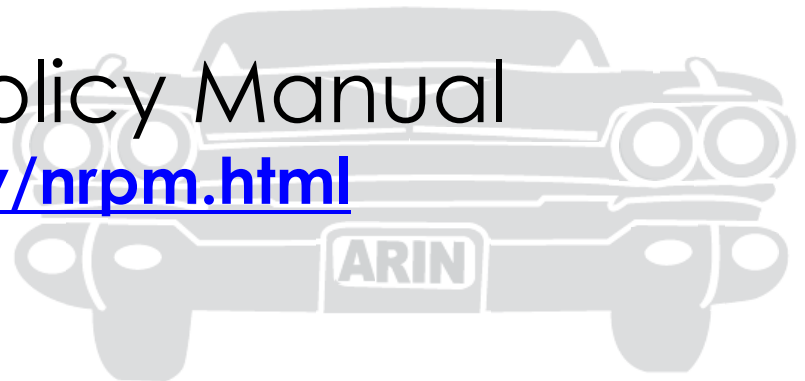

Number Resource Policy Manual (NRPM)

- **NRPM is ARIN's policy document**
- Current Version
 - NRPM 2009.4 (23 Sep 09)
 - This is the **17th** version
- Change Log – tracks changes
