

Transfer Policy

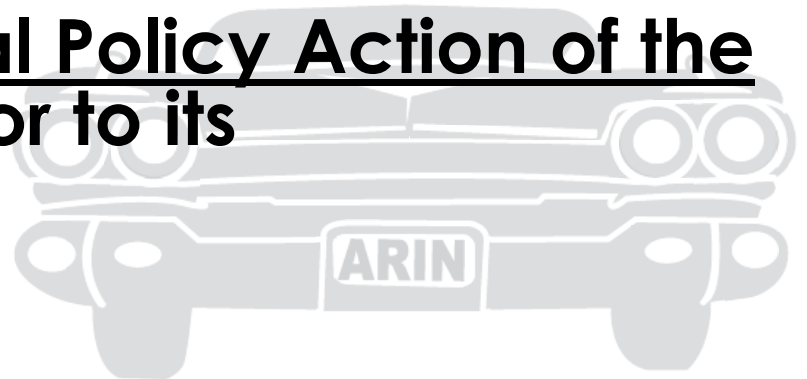

Policy 2009-1

2009-1 Background

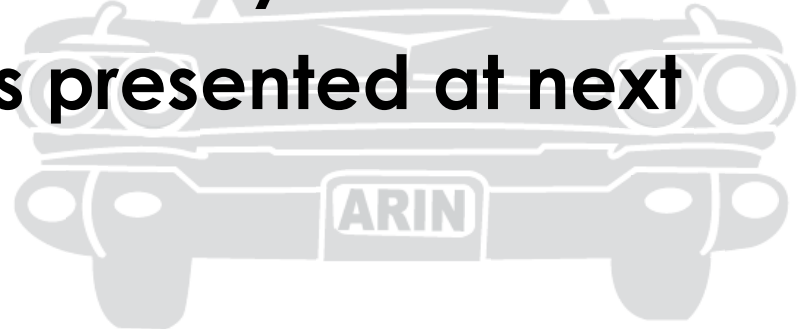

February 2009

- Board adopted 2008-6: Emergency Transfer Policy for IPv4 Addresses
 - Policy allowed transfers to designated recipients (based on need)
 - Policy included a 3 year sunset from implementation
 - Policy allowed Board to choose when to implement
- Board invoked a Special Policy Action of the PDP to revise 2008-6 prior to its implementation.

Board Special PDP Actions

- **Allows for a Temporary creation, modification or suspension of policy**
- **Overall Process**
 - **Board declares emergency and posts policy change to PPML**
 - **AC reviews discussion and makes recommendation with 10 days to Board**
 - **If Board proceeds, it is presented at next Public Policy Meeting**

2009-1 History

- **Board invoked Emergency PDP and posted 2009-1 to PPML for discussion**
 - Discussion was extended thru the then upcoming ARIN Public Policy Meeting
- **Presented in San Antonio**
 - AC revised 2009-1 based on community feedback and recommended it to the Board for adoption
- **Board adopted 2009-1 on 28 May 2009**
- **Implemented on 1 June 2009**

2009-1 Implementation

- **Net effect of implementation of 2009-1:**
 - **Implementation of 2008-6 (needs based transfers to designated recipients) with these revisions:**
 - **Specific requirement for the recipient to be within the ARIN region**
 - **Removal of the 3 year policy sunset clause**

2009-1

- **The last part of the PDP Special Policy Actions require presentation at the next Public Policy Meeting after adoption.**
