2011-8 – Summary

This policy offers another option to 8.2 transfers (Mergers and Acquisitions) where the IP addresses being transferred are underutilized. The new text would allow the unused portions to be transferred via 8.3, Transfers to Specified Recipients.

2011-8 – Status at other RIRs

Nothing similar at the other RIRs

2011-8 – Staff Assessment

Staff Comments: Issues/Concerns?

This proposal would fill a gap in the existing policy and would likely benefit the community.

Implementation: Resource Impact? – Minimal (3 mos.)

- Updated guidelines
- Staff training

2011-8 – Legal Assessment

This policy poses no significant legal issues.

2011-8 – PPML Discussion

- Little discussion of Draft Policy (One post in favor)
- Little discussion of the proposal
