## **What differentiates you as a candidate, or makes you uniquely suited to serve on the NRO NC?**

The members of the North American Network Operators Group and of the ARIN community saw fit to elect me for 3 terms to serve a total of 9 years so far. The members of the ASO Address Council allowed me the privilege of leading the group as Chair for the past 5 years. I have built and established a rapport with the leaders at ICANN and ICANN communities.
