Update on Advisory Council Activities

John Sweeting, AC Chair

Advisory Council

"The Policy Development Process charges the member-elected ARIN Advisory Council (AC) as the primary facilitators of the process"

- Here today from the AC:
  - Dan Alexander, Vice Chair
  - Kevin Blumberg
  - Andrew Dul
  - David Farmer
  - Scott Leibrand
  - John Springer
  - John Sweeting, AC Chair

- **Number Policy Discussions**
  - **4 Recommended Draft Policy**
    - The AC already recommended these as good policy, do you agree?
  - **10 Draft Policies**
    - The AC worked on the proposals to make them clear and in scope.
    - Will we get consensus on good policy?
      - Must be fair, technically sound and supported by the community.
    - Today's discussion will help determine what happens with these drafts, ultimately they will advance to Recommended or be Abandoned.

- **After today's Public Policy Consultation**
  - Do you want to continue the discussion of these or other number policy proposals?
  - Anyone who's interested, see me, John Sweeting, or any other AC members at the end of this session
